

MESSAGE from Managing Trustee

"February has been a month of reflection and progress as we evaluated our students' growth and achievements. We are proud to have launched new batches, further expanding our mission of skill development. A heartfelt thank you to all the students who participated in the auspicious puja at the center."

We encourage you to continue supporting our efforts in creating dignified livelihoods and empowering communities.

Celebration of Vasant Panchmi (Saraswati Puja)

Vasant Panchami (Saraswati Puja) was celebrated with great enthusiasm at our center, marking the auspicious occasion dedicated to Goddess Saraswati, the goddess of wisdom, learning, and arts. The celebration began with a traditional Saraswati Puja, where our students and staff came together to seek blessings for knowledge and success.

The center was beautifully decorated symbolizing prosperity and energy. Students actively participated in the decoration. Most of our students also wore yellow attire, adding to the festive spirit of the day. As part of the event, we encouraged students to embrace the values of education and lifelong learning. The celebration reinforced our commitment to empowering women and youth through skill development and knowledge.

We thank everyone who joined us in making this event a memorable and meaningful one. May Goddess Saraswati bless us all with wisdom and success!

Celebrating Devotion & Dedication on Mahashivratri

On the auspicious occasion of **Maha Shivratri**, our center witnessed an inspiring display of faith and dedication as our students, under the guidance of **Mrs. Sapna Choudhary**, organized and conducted a **Rudrabhishek Puja** with great devotion.

A remarkable highlight of the event was the **creation of 1,00,000 Parthiv Shivlings** by our students, symbolizing their deep faith and commitment. Their enthusiasm, hard work, and collective spirit in preparing and performing the rituals were truly commendable. It fills us with immense pride to see them dedicate their time and effort to such a sacred cause.

We were also honored by the presence of **Sh. Pawan Rathi Ji**, who not only graced the occasion but also actively participated in making the Parthiv Shivlings. His unwavering support and encouragement continue to inspire us in our mission to serve society.

Empowering Women Through Beauty & Wellness Training!

Our Beauty & Wellness Course has successfully equipped students with comprehensive skills in **professional beauty care, skincare, hair styling, makeup artistry, and salon management**. From **threading to bridal makeup**, our students have excelled in every aspect of the trade, mastering the techniques required to thrive in the beauty industry.

After months of dedicated training, they are now fully trained in various beauty parlour services, ready to pursue careers as **professional beauticians, entrepreneurs, or salon specialists**.

Through this initiative, Choudhary Foundation continues to create **sustainable livelihood opportunities**, ensuring that women gain self-reliance and recognition in the beauty and wellness industry

Skilling Women Through Our Stitching & Cutting Course

Our **Stitching & Cutting Course** has successfully trained students in the art of **designing, cutting, and stitching a variety of dresses**, including traditional and modern outfits. With hands-on experience and expert guidance, our students have mastered techniques in **fabric selection, pattern making, embroidery, and tailoring**. Today, they are fully equipped to pursue careers as **professional tailors, fashion entrepreneurs, or independent designers**. Many have already started taking orders, launching small businesses, or securing jobs in boutiques and garment units. This program not only enhances their technical skills but also empowers them with financial independence and the confidence to build a sustainable future through their craft.

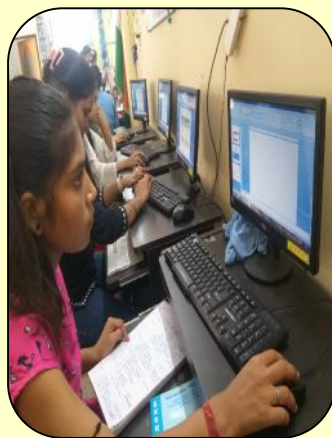

Transforming Lives Through Our Digital Empowerment Course

*Our **Digital Empowerment Course** has successfully trained students in essential computer skills, enabling them to confidently use **MS Paint, MS Word, Excel, PowerPoint, and the Internet**. Through hands-on training, they have gained practical experience in **document creation, data management, presentations, and online navigation**, equipping them for various job opportunities in today's digital era.*

*This course has been a game-changer, not only for girls but also for **boys who have joined the program**. Many young boys from underprivileged backgrounds are now acquiring digital literacy, enabling them to pursue better career paths in administration, IT, and clerical roles. Their ability to work with spreadsheets, create professional documents, and effectively use the internet has significantly boosted their confidence and employability.*

*The skills acquired through this course have opened doors to **employment prospects, freelance opportunities, and further educational advancements**, empowering students to build a brighter, self-reliant future*
