Choudhary Foundation is dedicated to empowering resource-poor women through dignified livelihood opportunities. Established in 2017, it envisions a world where all women, especially those from underprivileged backgrounds, enjoy full citizenship, economic independence, and decision-making power. The foundation provides skill training in diverse fields, promotes economic empowerment, and fosters an inclusive, supportive community environment. It also engages in advocacy, awareness programs, and community development initiatives to drive meaningful change.

DIGITAL EMPOWERMENT

The students of our Computer Training batch have successfully developed a strong foundation in essential application software. They are now proficient in creating polished and professional documents using MS Word, showcasing their ability to format and structure content effectively. They have also acquired the skills to tackle challenges in MS Excel, ranging from using basic formulas to implementing advanced functions for comprehensive spreadsheet solutions. Additionally, they have gained the expertise to design engaging animations and craft visually appealing and impactful presentations using PowerPoint. This skill set empowers them to meet modern workplace demands and enhances their employability in various fields.

BEAUTY & WELLNESS

Our Beauty & Wellness course participants are now gaining hands-on training to refine their skills & enhance their expertise in various aspects of grooming and personal care. They are mastering the art of creating stunning nail designs through intricate nail art techniques, experimenting with trendy and elegant hairstyles, and perfecting the traditional yet versatile craft of saree draping. Additionally, they are honing their makeup application skills to suit diverse occasions and learning advanced beauty techniques to offer comprehensive beauty solutions. This practical exposure equips them with the confidence and proficiency needed to excel in the beauty and wellness industry.

Cutting & Design – The students of our Cutting & Designing course, after undergoing rigorous hands-on training in various skill sets, are now showcasing their creativity and craftsmanship by producing stunning samples. They have successfully designed and created garments such as jumpsuits, frocks, kurtas, and tops, demonstrating their growing expertise in fashion design. With continued guidance and supervision from their mentors, these talented students are now venturing into designing garments that meet industry standards, preparing them for a promising career in the fashion and apparel sector. Their dedication and skills are paving the way for them to make a mark in the competitive world of garment designing.
